ASTRA DOOR CONTROLS

3003 Door Control – Technical Data

Product:

- Integrated door control
- Jamb mounted frame plate hinge side
- Suitable for use on right and left swing doors
- Completely concealed when door is closed

Performance

- Fixed power EN3
- Closing force 4° from latch 19Nm
- Opening force 4° from latch 22Nm
- Continuous valve control from 90°
- Maximum opening angle 105°

Functions

- Adjustable closing speed
- Adjustable latching action
- Maintenance free

Test Evidence

- Continuous testing 500,000 cycles
- Fire test conducted in accordance with BS EN1634-1:2000 Test report CHILT/RF06118
- Tested to European Harmonised Standard BS EN1154

Accreditations

- CE marked in accordance with the Construction Products Regulation (CPR)
